

Holden Beach Turtle Patrol Remembers Nancy Hager

On October 17th members of the Holden Beach Turtle Patrol honored long time volunteer and member Nancy Hager.

A tree was purchased by the Patrol and dedicated to Nancy's memory. As members entered Lockwood to attend the "end of the turtle season" dinner they handed red ribbons to volunteers to decorate the tree.

On many mornings the first phone call members received was a call from Nancy, asking for help to relocate a nest a turtle made in the wrong area of the beach. She was also active during hatching time, insuring that the baby turtles made it to the water.

"Skip" Hager, Nancy's husband, still resides in Lockwood and continues to spend many hours volunteering to help the turtles.

Holden Beach Turtle Patrol., as well as many friends and neighbors in Lockwood, miss Nancy. They are welcome to attach a ribbon the tree. The tree is located in the median of the 200 block of Clubhouse Drive.
