

Policy for the New Opinion Page on the POA Website

The purpose of the opinion page, located in the “Members Only” section, is to find out what members are thinking about community issues, POA policies, etc., and to get new ideas for how to improve our community. We will post any comments you submit as long as they are responsibly written, do not involve name calling or profanity, and are not confrontational. Personal attacks on other members or board members will be rejected. You may submit an original opinion or respond to a posted opinion. We want to hear from you. Send your opinions to opinions@lockwoodfollypoa.org
